

Mutual Non-Disclosure Agreement

Parties: Fabrikam Advanced Engineering Co. and Litware Analytics Private Limited

Effective Date: 20 March 2026

Jurisdiction: Singapore

Illustrative Risk Profile: Low

This is a synthetic mock contract created for solution design, extraction, and risk-assessment demonstrations.

1. Purpose

The parties wish to evaluate a potential business relationship relating to enterprise contract lifecycle analytics.

2. Definition of Confidential Information

Confidential Information means non-public technical, financial, commercial, security, and business information disclosed by one party to the other in any form and identified as confidential or that reasonably should be understood to be confidential.

3. Use and Protection

The receiving party shall use Confidential Information solely for the Purpose and shall protect it using at least the same degree of care it uses to protect its own confidential information, but no less than reasonable care.

4. Exclusions

Confidential Information does not include information that is or becomes public through no fault of the receiving party, was already known without restriction, is independently developed, or is rightfully received from a third party.

5. Term and Return

The term of this Agreement is two (2) years. Confidentiality obligations survive for five (5) years after disclosure. Upon request, the receiving party shall return or securely destroy Confidential Information, subject to legal retention requirements.

6. Remedies

The disclosing party may seek injunctive relief for unauthorised disclosure in addition to any other remedies available at law.

7. Governing Law

This Agreement shall be governed by the laws of Singapore.

8. Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to its subject matter and may be amended only in writing signed by both parties.

Author note: Mostly balanced and low-risk.
